

J: "Hey? You awake over there?"
P: "Where... where am I?"
J: "Hey, don't sit up too fast, here-"
P: 'He rushes over, holding me up so I don't fall'
J: "Mil! Get in here! Newbie's awake!"
P: 'I groan slightly, already lightheaded from sitting up'
P: "Mil?"
P: 'Before I can continue asking who that is, a girl rushes in, her hair a mess and her left sleeve stained with blood'
M: "Hey! You're up!"
P: 'She rushes over, helping the guy hold me up'
P: 'I see the first guy look over to her, gaze landing on her arm'
P: 'I can see something flash in his eyes but he chooses to remain silent, letting Mil hold me up as he talks'
J: "You're in a little barn we found. You would've been zombie food but luckily for you, Mil has a bleeding heart and couldn't leave you"
P: 'He looks over fondly at Mil, still looking concerned about her arm before snapping back to me'
J: "So what's your name?"
Name Input
M: "Okay then * good to meet you!"
P: 'I look up at the guy'
P: "What's yours?"
J: "Oh damn right! Sorry, it's Jazz"
P: "Alright then, hi Jazz"
P: 'Mil smiles at me before cautiously letting me go'
P: 'She walks over to the medical supplies, picking up a roll of gauze and turning to Jazz'
M: "Can I-"
P: 'Before she finishes speaking Jazz agrees'
J: "Yeah, yeah of course. Want any help with them?"
P: 'Mil shakes her head, smiling back at him'
M: "I've got it, you take care of *"
M: "It was good to meet you *"
P: 'Jazz looks hesitant to watch her walk out but seems to decide not to tackle whatever's happening with Mil yet'
J: "So... want to meet the others?"
P: 'I think about it for a second before standing up'
P: "Yeah, that'd be great"
P: 'I smile at Jazz, waiting for him to smile back, though it doesn't quite reach his eyes'
P: 'Jazz helps me out of the medical tent'
P: 'Suddenly someone runs up to us. They have deep brown hair with faded colors and are extremely energetic'
J: "Hey Q, you need somethin?"
Q: "Where did Mil go? I should go check on her. I saw her walk out of the tent with the gauze"

P: 'Jazz thinks for a second before responding, placing a hand on Q's clipboard'

J: "Let's leave her be right now, okay? I'll check on her and make sure she's okay later"

P: 'Q sinks slightly at that'

Q: "Fine. Just... make sure she's okay... uh anyways, this the comatose one?"

J: "Well not anymore, they woke up. Their name is **"

P: 'Q reaches out, shaking my hand'

Q: "Hey there *, I'm Q, they/them, and the supply manager. Just tell me if you use anything"

P: 'Jazz smiles at Q, gently nudging me to the side'

J: "Alright Q, I'm gonna take * to meet the others"

Q: "Okay! Get back to me about Mil later!"

Q: "Oh and good to meet you **"

P: 'Jazz turns to me'

J: "Well, one down, three more left"

P: 'He laughs slightly, beginning to list names'

J: "We've got Sel, our defensive lead"

J: "We've got Bex, she handles training Q to fight."

J: "And Vic, our scout."

J: "Who do you want to talk to first?"

P: "**Choice* seems cool, let's talk to them."

Sel P: 'We walk over to where Sel is stretching in the corner, clearly antsy from being cooped up here' J: "Sel! Hey!" P: 'Sel snaps her head over, looking annoyed before seeing Jazz' S: "Oh hey, you need something?" J: "Nope, just introducing * to you, Sel, *, *, Sel" P: 'I get a bit nervous as Sel looks over at me, still glaring skeptically at me' S: "Hm. Fine. *." P: 'They turn away and keep stretching' P: 'Jazz turns to me, ushering me away from the awkward situation' J: "Yeah... let's go now..."(If talked to the others) J: "Yeah... let's go talk to the others"(If not)	Vic P: 'We walk over to under the shabbily crafted 'windowsill' Vic is sitting on' P: 'She doesn't seem to notice us, focused on the outside until Jazz throws a piece of hay at her, making me laugh slightly' V: "What the- Oh! HEY JAZZ!" P: 'Vic calls down at us, leaning over the side just a bit too far' P: '*THUNK*' J: "Ah- Shit! Vic, you good?" P: 'Vic sits up slightly, giving a shaky thumbs up' V: "-cough- yup... thank god we got rid of all the manure in here, huh?" P: 'Jazz laughs under his breath, leaning down to check her out' J: "God, give me less of a heart attack next time..." P: 'He exhales quietly and I	Bex P: 'We walk over to where the person Jazz called Bex is sitting with headphones on' P: "I know I've been out for a while, there's no way those things have kept a charge, much less a phone" J: "Yeah, all our headphones died days ago, she kept theirs for comfort though" P: 'Huh... I suppose that makes sense' P: 'We make it over close enough for Jazz to tap her on the shoulder' P: 'Which in turn earns him a quick punch to the stomach, knocking him to the ground' J: "BEX! Bex- god it's me!" P: 'I watch as he panics to convince her that they aren't a threat' B: "Jesus dude, don't scare me like that..." J: "Yeah, trust me I won't do that again"
---	--	---

	can tell he was genuinely worried for her' J: "Anyways, now that I'm sure that nothing is broken, Vic meet *" P: 'Vic holds her hand up to me, still on the ground but now sitting cross-legged instead of face first' P: 'I laugh slightly, shaking her hand and smiling' P: "Good to meet you, great landing by the way" P: 'I watch Vic's face turn into a smile' V: "Oh I like them. I'm keeping you" P: 'Jazz laughs as Vic tugs me down, making me fall, barely catching myself before landing just like they did' V: "Nice catch hehe" P: 'Jazz quickly helps me back up, smirking at Vic' J: "Be nice to them, okay?" J: "Anyways, we're gonna go now"(If talked to the others) J: "We're gonna go talk to the others now!"(If not)	P: 'He says, wincing and holding his stomach as he stands' J: "Well, now that I'm done being used for WWE training, * woke up" P: 'Bex turns to face me and I step back slightly, not wanting to risk Jazz's fate' B: "Hey there. * huh? And I take it you know my name." P: "Bex right?" P: 'I ask nervously, not wanting to get on her bad side' P: 'Jazz slides up to me, now recovered from the brutal greeting' J: "Don't be too scared of 'em, Bex is just a bit on edge right now" P: 'Bex chuckles awkwardly' B: "Sorry, I guess your introduction to me was a bit aggressive huh?" P: "Just a bit" P: 'I laugh, slightly easing up as I realize the punch was likely a one off thing' B: "Well, I'm gonna go talk to Q now, help them sort things. Good to meet you *." J: "Sounds good! See you later Bex" P: 'Bex walks away, leaving Jazz and I to talk' J: "Let's go"(If talked to others) J: "Who do you want to meet now?"(If not)

P: 'Jazz leads me back to the medical tent in the far right corner'

P: 'Mil is back in the tent once we enter'

M: "Oh- hey Jazz! *! What were you doing?"

J: "Mil! Hey, oh uh Q wanted to talk to you"

M: "Oh... alright then..."

P: 'I can hear a hint of something like worry in her voice, but the next thing I know she's back to smiling'

M: "Sooo... you never answered my question. What were you up to?"
